ther best heretwa, in the Evante Barra is testation, the abhorrence, the horror, of the South, and we shall see what luck the exteacher of niggers will have in preaching it of the South through his paper. He preaches the will be the south through his paper. He preaches the most offensive, disgusting, and beastly sort of the south through the south through his paper. SATURDAY, FEB. 16, 1856

sess plenary power to rule slavery out of it t will borders, must sicken and disgust and nauseate to ky, and all his cavings upon the subject was borders, must ricken and degraded by a ment of Richardson by the Southern Democraspirit of the most boccible abolitioniam. to strong some years ago as it is now. He ago that all the third degree members of the to impy by this that his abolitionism a American Order in the North were free from ew years ago, even though admitted, was not the taint of abolitionism, we did but express an tas so objectuonable as people might now sup per it to have been. But he misrepresents the them have, the crime is not ours. There are ts. He need not at empt to excuse of Americans, probably third degree Americans, are his own atroclous iniquity by trying to in the North, unwilling to concede to the South make folks thick, that, when he was an avowed what the South has a right to demand, yet we abolitimist, the slave States had no especial know that there is a sound, conservative Ameri-The editor of the Democrat, in allusion to rance that it is rapidly growing, and, that it what his very near relative told us about his will be able to wield throughout its whole sec-

Indian a abolitionism, wants to know why we tion in November uext, as it recently did in New nwaded his family circle for facts against him York and Massachusetts, a strong and controllcircle, if he calls one relative his family circle, invaded us. His very near relative sought us out, and, without interrogatory from us, told us all about our neighbor's abolition table-talk and his abol ion public talk ard insisted that we should publish the facts on his a thority and give his name for them, if necessary—which of course we are entirely ready to do. It is just as impudent in our neighbor of day that he was a fierce abolition schoolmaster in linear as it would be to deny that he was an Indiana schoolmaster at all. Why, may ood judge would know in an Instant from looking a him that he had belonged to the race of abilition schoolmasters. They all look alike; they have the same lean, lank, cadavero is faces, licensjaws, and shrunker mouths, looking like vamparee or ghouls or perhaps more like sign containing a finite and shrunker mouths, looking like vamparee or ghouls or perhaps more like sign containing a finite and an instant from the new cadaver of faces, licensjaws, and shrunker mouths, looking like vamparee or ghouls or perhaps more like sign containing a finite and an instant from the North has shown itself, as we often predicted it would, the ouly party of that section is all past time has abhorred with a perfect abhorence, and which, carried into practice, would so read the abominations of Abolitionism wherever they went. Su bsentiments which has shown itself, as we often predicted it would, the oult party of that section is all past time by not all past time has abhorred with a perfect abhorence, and which, carried into practice, would so read the abominations of Abolitionism. The only choice for the North where the foul tide of Black Republicanism. The only choice for the North went section of the Union, would call forth a loud yell and a howl of execration from all the Sag. Nichts of the Union, would call forth a loud yell and a howl of execration from all the Sag. Nichts of the Sag. Nichts of the Sag. Nichts o they have the same lead, lank, cause they have the same lead, looking like vampures or ghouls or perhaps more like sine control of the Kansas and New lead and damned and carrying their hells about

with them in their own bosoms.

The editor objects most clamorously to all their leaders told them it was, the heat and most effective abolition law ever enacted—because they private witnesses in proof of his abilitionism. We suppose that all culprits are they believe that it will, instead of carrying slavery north of the old Missouri companying the statement of the control of t carrying slavery north of the old Missouri comwould be very glad to exclude witnesses against
them slves. Wit esses are terribly inconveret and even a noying to guily rascals. Or
neighbor is most especially anxious to exclude
his own relative. He has the effrontery not to confess even though his own relatives testify to this notorious iniquity. He even uses had words about them such as "pimp," "soeak," and "liar by trade." But we have no reason to doubt that his family is highly respectable. In fact a but one of a family must necessarily be will the measuress his patrimony all the measuress that might otherwise have been distributed among the whole. We shouldn's wonder if at least fif y families were uncomwonder if at least fif y families were uncommondered in the continuous and even Southern favor for such the him all the mean ess of the entire lot. We half think that she used up, in making him, all the mean material that she had on hand at the time.

The editor recurs in a doleful and deprecatory tone to the fact we have proved on him of having taught uggers in his ladiana school in the made and as often denied, that the American of our State Institution for Deaf Mutes a' Dan to be a nigger schoolmaster was not by any and the Sag-Nicht pressvery conveniently ignore. means so disriputable then as it is now. He the real grounds upon which we baseour opposes at twenty-live years ago many master; sition to Rome, and endeavor to hide the truth puble of receiving coloration to a considerable and mastre-see in Kentucky taught their niggers under the clamor which it ey raise upon false degree. These children were in Frankfort so to read, and that thirty years ago a Sunday Issues. As a political corporation we do oppose eral days, and exhibited pleasing manifestation school of more than three hundred niggers was that most inside on all tricksters, the Romish of intelligence and perfect propriety of conduct taught at Paras in this State. All this may be Church, and, whilst it's clergy assume the attritrue, but these niggers were taught apart from the contact of white students. No white young opposed to the American party, what is their The proposition to establish such an instituman was seen stan ing up among the niggers in real position? A late paragraph from the Free-the Para school. The editor of the Democrat, man's Journal of New York city, the acknowl-liarity—that the State now expends over twen his school, mixed, numbled, huddled to- edged organ of Bishop Hughes, and the most thousand dollars a year in the support of h ether, amalgamated his niggers and his white shie of the Romish presses of the United States, bundred ind gent idlots, and that amount is at soys like black sheep and white ones in the admits the fact, inadverten'ly we presume for mually increasing. By the bill before the Se same pen. The thought never occurred to him they are generally too willy to let such admis-that the amell of niggers might not be as grate-sions escape them—that the Archbishop of New turn the immense sum to the godlike purpose of ful to the noise of young gentlemen as it was to York has been engaged in a political crusade elevating this class, now groveling in their man his own. To him there was no sweeter perfume against the American party in other States, unership degradation, to the digree of improve tunn that of utgers—those black smellingbottles with the stoppers out. He now exhibliterary subjec s.

der the mask of giving lectures upon popular ment, educational, social, and industrial, of which it has been shown, as stated above, the oottles with the stoppers out. He now exhib. literary subjec s. the some little evidence of ahame as well as a The Freeman's Journal exults considerably are capable, and of rendering them-at least great deal of evidence of meudacry by pre-tending, that, although he remembers perfectly come of his Baltimore lectures, and winds up support, under the care of their friends. They well that the teachers who were connected will by anying he has broken the spinal column of are now dependent on the State Treasury ( him taught a sugger, he can't, to save what he Know-Nothingism there. him taught a migrar, he can't to save what he calle his soul (which however is the property of the devil), recollect whether he himsed are busny engaged traveling the country over, dustry. taught the sugger or not. Of cour e nobody is the position of the public consideration in the two last report to know that he lies. If he with politics, but for no other purpose than to recollects so distinctly that his associates stab the American party on all occasions, and of the Kertu ky Institution for the Deaf an taught the nigger, of course he has not forget.

Dumb, and we are pleased to see it also strong

a Locofoco editorship was offered to him, and just as soon as he found himself in his new pospears, were, and had always been notoriously and undernably abolitonists. It was a declaration, a confession, a full acknowledgment, that he himself had for years been an abolitionist. acting in and with a party that he knew all the while to be abolitionists. His declaration or whatever it might be was good for nothing against the Whig party, but it was first-rate and conclusive against himself. It established the tan. fact that he had nominally abandoued his abolittomsm, just is he actually had bia Whignemat an hour's notice and for a Locofoco stipend.

It was not the acknowledgment of a criminal Loceller in I than the I not under the gallows; but it was quite as conclusive and made under almost as disgraceful cu-

and ten thousand black dogs' noses.

The editor of the Democrat has generally, in his public capacity, favored pro-slavery doctrines, for the reason that the Locofoco perty we have a construction of the reason that the Locofoco perty. of the Soura, that bought and pand for him (and got awfully cheated), has generally thought it expedient to use the slavery question as a participan hobby, yet, true to his Indiana instincts, he has always shown himself ready and even alert to favor aboli fonism whenever he has thought he could do so and keep on terms with his party. He known, that, in the compromise of To him only, Hoaven's self forgonia. 1850), the fugative stave law was all that the south get for its various concessions to the stade-misrotethutum-1, but as you tall pine. Indeed he has frequently asserted this; twe have repeatedly shown in times past, and yet we have repeatedly shown in times past, by quotations from his own files, that, when the by quotations from his own mes, that, when the whole series of measures except the fug five alaye law had been passed by Congress, that is, when all the measures favorable to the North had been adopted, and when the fugitive slave when the fugitive slave and the measures favorable to the north had been adopted, and when the fugitive slave abed, and till my kely there was thad been adopted, and when the fugitive slave law, the only projected amenda to the South for its important concessions, was pending, and about a its fate was exceedingly doubtful, he said in his columns that there was no

peak in the most flattering manner of her perormances.

Mr. Eyre, the gentlemanly agent of Mrs.

Macrendy, is now in this city.

Cosmopolitian Ant Association.—Our readresult hear in round the day is fast approach.

The Lone Star Minstells.—This band gave their first public concert at the Hall of the Rescue Engine House last night. The proceeds of it were devoted to the henefit of the poor. The hall was filled to its utmost, and the performances excelled the highest anticipations. They are all splendid instrumental performers, and they also sing very finely. Indeed we are informed they will favorably compare with the best hand of negro ministrels that have visited this city.

Their entire proceeds last night were devoted to the poor without even deducting the necessary expenses incurred. To meet these the Lone Star will give another cemeer to-night at the same place. They are all young Louisvillians and they ought to be encouraged.

N. Y. Couries writes:

The tariff is again coming into discussion, as at measure likely to occupy a large share of the ration. It hanks is well not come the sound in fraction. The comparison of the close the blown or a great reduction of division of the sound particularly upon ron and coal. He voted which was even more radical than the bill proposed by the Secretary of the Treasury. There is, therefore, no little anxiety to ascertain the possed by the Secretary of the Treasury. There is, therefore, no little anxiety to ascertain the resolution of all secretary of the Treasury. There is, therefore, no little anxiety to ascertain the possed by the Secretary of the Treasury. There is, therefore, no little anxiety to ascertain the resolution of all secretary of the Treasury. There is, therefore, no little anxiety to ascertain the resolution of all secretary of the Treasury. There is, therefore, no little anxiety to ascertain the resolution of the close which was even more radical than the bill proposed by the Secretary of the Treasury. There is, therefore, no little anxiety to ascertain the resolution of the committees on Ways and Means, and Means and Manufactures. The Pennsylvanian are an autifulation of the committees on Ways and Means, and which was even more radical than the bill proposed by th

wertising columns that he still keeps the Sixth stread wing of the hotel open for the reception of travelers, which in a new large, and well furmished house, until the other part of the hotel is refitted. A large force is now engaged in teaning down the two old wings and rebuilding them entirely anew, and in reairanging the main part, which was huilt only a few years ago. The Hotel Company intend to make the house equal to any in the West.

An excelent article of cornmeal can be obtained at Mr. Anderson's family grocery.

From the Evening Bulletin BIRTY-10. TH CONSEL -PIRST SES IN Thursday's Proceedings C neluded.

WASHINGTON, Feb. 15 Washington, Feb. 15.

Shade—The Senate resulted the consideration of Mr. Wilson's resolution calling on the Pre-neutron for all information in his prosession respecting the disturbances in Kansas, effecting the free-lom of the elections.

Mr. Geyer denounced the enigrant aid societies, which had sent men to Kunsas to control the election there. All the outrages had originated in these extraordiary and imprecedented organizations. He was willing to have an injury into the matter if these societies were included in the investigation.

they into the matter it these societies were intimed in the investigation.

Mr. Toncey hoped the Senate would adopt a
esolution in the proper form, calling upon the
Executive for full information relative to the
iffairs in Kaasas. He approved in the fullest
manner the President's proclamation and the
sourse therein suggested.

On motion the further discussion was postoned and the debaterelative to the proceedings
of the naval board resumed.

Mr. Buller considered the board as the most Mr. Butler considered the board as the mo

Mr. Butler considered the board as the most odious tribunal ever instituted in this of any other country.

After the debate involving the effect of the repeal of the law under which the board acter he benate adjourned till Monday.
